AAEE Awards Dinner

SAT SEPT
14th

Morning Sessions
Afternoon Field Trips

 Prescott College
220 Grove Ave | Prescott, AZ 86301

Join us to share your work with communities in Arizona!

For Formal & Non-Formal Educators:

Pre-conference workshops with Project WET, Project WILD, Project Learning Tree, and a NAAEE Guidelines for Excellence in Environmental Education Workshop take place on Sept 12. Field trip opportunities will also be available.

For Non-Traditional Educators:

Are you an Extension Agent, scientist, researcher, land manager, or conservationist? Do you work with your community to educate them about being environmentally responsible, preservation of our natural and cultural resources, and research-based conservation strategies?

We have a conference strand for you to share your work and gain ideas from others about how to best engage your communities!

Other Important Dates:

April 2nd - 30th, 2019

Accepting proposals for posters, presentations, and workshops.

May 1st - June 30th, 2019

Call for award nominations.

June 1st, 2019

Final conference schedule available & registration opens.

August 15th, 2019

Early-bird registration closes.
